Re: November 2017 General Election

Dear Mr. Cohen:

As you are aware, I represent the interests of the Atlantic County Republican Committee. I write to you regarding what we view as a significant issue related to the pending election for November.

A registered voter of the City of Atlantic City presented themselves recently to the Office of the Atlantic County Clerk in order to procure a vote-by-mail ballot for the upcoming General Election. The voter was given the attached ballot. As you can see therefrom, the ballot he was given already had votes cast for Philip Murphy for Governor; Frank Gilliam for Mayor; and George Tibbitt for Council. The ballot was "pre-loaded" with these selections and obviously had been tampered with.

The individual then formally complained to the Clerk's Office regarding this tampered ballot. After some internal consultation, the voter was given a clean ballot upon which to cast his vote. It was never explained to him how the initial pre-marked ballot came to be or who was responsible for tampering with this ballot.

The Atlantic County Republican Committee remains committed to its goal of ensuring the integrity of the electoral process here in Atlantic County so that the citizens are afforded the opportunity to express their individual choice as to candidates for public office. This obvious tampering with the vote-by-mail ballots seriously calls into question the practices within the Office of the Atlantic County Clerk and/or their ability to maintain the integrity of these ballots.

We are respectfully requesting that the Office of the Attorney General immediately commence an investigation of the ballot tampering that is apparently taking place within the Office of the Atlantic

County Clerk and that the Attorney General further immediately undertake the direct supervision of the activities being conducted within the Clerk's Office. It is only through the direct and impartial monitoring by the Attorney General that we can ensure the integrity of the electoral process here in Atlantic County.

I will await your kind advices regarding the above request and appreciate your anticipated prompt attention to this matter.

Very truly yours,

Randolph C. Lafferty
