To Whom It May Concern:

I am writing to advise you of what I believe to be a violation of the law. New Millennium PAC, a leadership committee controlled by US Senator Robert Menendez (D-NJ), illegally funneled \$5,000 to the Garden State Democrat's campaign fund using freshman U.S. Rep. Darren Soto to launder the dirty money. According to FEC Filings:

On 2/29/2016 NEW MILLENIUM PAC, a leadership PAC belonging to Robert Menendez, gave Congressman Darren Soto's campaign committee \$3,000.

On 6/22/2016 - NEW MILLENIUM PAC gave Congressman Darren Soto's campaign committee \$2,000

On 7/1/2017 - Darren Soto's campaign committee gave "Menendez For Senate" checks for \$3,000 and \$2,000.

This appears to be a corrupt ploy for the Senator to move money from his leadership PAC account to his principal campaign account. NEW MILLENIUM PAC gave Congressman Soto's campaign committee another \$4,000, which I believe was to be returned to the Menendez campaign and I suspect that correspondence among Menendez, Soto and their political aides will provide evidence of a conspiracy.

Please investigate and prosecute these apparent crimes.

Sincerely yours,  
  
Lisa McCormick
