Viet talked to the AG about John Yoo for the CA9. His response was positive. We need to talk to Viet about this.

Also, when are you seeing Dan Rodriguez?

I think we should push John Yoo and Jay Bybee for the remaining
CA9 California and Nevada seats.

The incident prompted Makan to call to suggest that we SHOULD NOT pull
down Kuhl. He thinks she is a very strong candidate and that ultimately
Sen. Boxer will have to pay a political price for stalling her. He thinks
pulling down a nominee would send a very bad message to Senate Dems and
seriously complicate our lives.

Of course, Makan was pushing the Milan Smith idea.

John Yoo pulled himself out. You MUST find an alternative to the Irma freight train.

Is CIA GC a confirmed position? I assume so. How about he gets nominated and confirmed for CIA GC and then President soon thereafter nominates him to CA9. This gets him a confirmation under his belt (100-0 no doubt) and probably still gets him at least a year at CIA. Good for President all the way around.

He went in and talked to Tim and wants to be considered for CIA general counsel. Tim said he wanted to talk to Judge before we put Yoo in the mix for CIA. I'm sure we could force Yoo to the Ninth Circuit, if everyone here agreed that where he would help the President best.
