

Dear Congressman MacArthur

It has been over 500 days since your last in-person town hall.

In that time you were the only NJ Congressperson to vote for Donald Trump's Tax Bills, which raised taxes on most Americans¹ and threatened the health care for hundreds of thousands of New Jerseyans.² You just voted for a second round of tax breaks, making the \$10,000 SALT deduction limit permanent.³ We, your constituents, have questions about whether or not you are truly looking out for us.

We're here to tell you it's time for you to explain your votes, and why you would double down on a tax policy that puts your donors first and your constituents last.

We'll await your answer -- or remember your silence in November.
