Jon-

As part of our EDA application we need a term sheet for a potential location outside of NJ. I need a credible location that is LESS expensive than L3. I think that Center Sq may be the right comp - the building is listed by CBRE Given that this building is within the CBRE family - can you get me a term sheet for 120k sf? Quietly? No probability of us moving to Center Sq, so I don't want to make too much noise

I need a full service number of \$24/sf or less to make the numbers work. Space can be as-is for 10 or

15 year term.

Let me know

Thanks

Andy
