Dear Assemblyman Eric Houghtaling and Assemblywoman Joann Downey:

We encourage you to attend the League of Women Voters forum with us on Tuesday, October 22, 2019.

As we go door to door throughout the 11th Legislative District, we are hearing from voters who are thirsting for dialogue surrounding many key issues, most importantly, unaffordability. They embody some of the most well informed, highly educated voters in the state. They are thoughtful, civically engaged, and deserve a debate about the issues, what is going on in Trenton, and the direction of our state in the years ahead.

Clearly, we differ on the issues and on what is most important to Monmouth County families. Those differences warrant an opportunity for the voters of the 11th District to see, hear and learn from each of us, without any cover or input from a Democratic Camden County political machine, about our varying visions for the future before they make a final decision.

If you believe that voters have a right to meet and listen to the candidates and to be informed about our positions on the issues then you will accept this invitation and join us at the forum.

Thank you,
Mike Amoroso
Matt Woolley
