

**“IT WAS AN
AMAZING
AND TERRIBLE DAY”**

U.S. Representative Jeff Van Drew

Floor Speech after Capitol Insurrection, January 6, 2021

JEFF VAN DREW BETRAYED US. **AGAIN.**

After switching parties and declaring his “undying support” for Donald Trump, *it didn’t seem like Jeff Van Drew could sink any lower. But he just did.*

Van Drew voted against certifying Joe Biden’s win in the 2020 election, even after an angry mob incited by Trump breached the U.S. Capitol, resulting in the deaths of five people and our nation being shaken to its core.

Join the movement to beat Van Drew and elect a Democrat to represent South Jersey’s values.
Not Donald Trump’s.
