

4/20/22

We at the Passaic County Central Labor Council are thrilled to notify you of our council's unanimous endorsement of support for your upcoming election. We represent the collective interests of 35,000 union members, their families, and over 30 affiliated unions in Passaic County, New Jersey.

Our mission is to improve the lives of working families by electing pro-labor candidates who will support the right to collective bargaining and help bring economic justice to the workplace.

The Passaic County Central Labor Council will support candidates that will place the needs of working people and their communities first. All working men and women deserve elected officials that know and understand the importance of earning a fair wage, fair benefits, and the value of equal treatment in the workplace achieved through collective bargaining.

This endorsement assures you that we will support your re-elected this May 10, 2022, so that our working and middle class continue to thrive and build the future of Passaic County, New Jersey.

In Solidarity,
Tom Kelly

President
Passaic County CLC
